## **Excalibur Auctions' Glossary of Toys/Model Railways Grading Toys & Models:**

Near Mint (NM) - Almost perfect, any imperfections will be extremely minor or ex-shop stock. Excellent (E) - The item will have had very careful use, with only small imperfections. Very Good (VG) - The item will have had some use, with only small imperfections. Good (G) - The item will have had more use, showing obvious imperfections.

Fair (F) - The item will have heavy signs of wear, showing major imperfections & may include repaints.

Poor (P) - The item will be in a very distressed condition, with many faults.

A/F (as found - usually in addition to any condition above) - some faults found which may be noted in the item description, e.g. missing parts or components, or badly broken.

### **Boxes:**

Excellent (E) - As you would expect to find the item in a shop - near factory fresh.

Very Good (VG) - Good condition for age, slight wear, may have the odd small dent.

Good (G) - Overall wear appropriate for age, some scuffing and dents may be present, may have some minor graffiti (writing on the box).

Fair (F) - A reasonable amount of wear / some tears and damage, may have extensive graffiti.

Poor (P) - Badly worn, tears and damage, may also have areas detached or missing.

N.B. All conditions are based on a visual inspection only, and are the opinion of the auctioneer. No electrical items or model railway locomotives are tested or guaranteed to work. Full condition reports are available on request, and buyers should satisfy themselves of the condition of the item prior to purchase. Full condition reports include additional photographs and a detailed inspection of the item for any obvious damage - we cannot conduct any testing of items.

### **Model Railway Digital Systems:**

DCC Fitted / DCC Sound Fitted - This item is marked as being factory fitted with a digital (DCC) or digital sound chip by the manufacturer.

Vendor advises DCC Fitted - The vendor has informed us that this item has been fitted with a DCC or DCC Sound chip after original purchase.

PLEASE NOTE that we do not verify either the presence of the DCC chip, nor do we test the operation of the chip if present.

Code 3 Models: The term Code 3 refers to models refinished by a Third Party, usually to as good a standard as the original production finish, but without the original manufacturer's involvement.

## TERMS AND CONDITIONS OF BUYING

EXCALIBUR AUCTIONS Ltd hereinafter referred to as The Auctioneer and to include any person acting upon his authority.

### 1. General Conditions of Sale

- a. Third Party Liability: All persons on the premises of, or at a venue hired or borrowed by The Auctioneer are there upon their own risk.
- b. They shall have no claim against the Auctioneer in respect of any accident, injury or damage howsoever caused.
- c. Admission: The Auctioneer reserves the right of admission, which in the case of a view auction will be by catalogue and registration.

### 2. Catalogue:

- a. Auction: All descriptions, whether printed or oral, are statements of opinion not fact.
- b. Intending purchasers should satisfy themselves as to the condition, age etc. of all pieces and lots.
- c. All goods are second hand and SOLD AS SEEN, and are exempt from the provisions of the Sale of Goods Act 1979 and subsequent amendments.
- d. All statements as to the authenticity of lots shall be statements of opinion. Notwithstanding any other of these Terms and Conditions of Engagement, if within 7 days of the sales of any lot the purchaser gives written notice to the Auctioneer that in his or her opinion it is a deliberate forgery, as defines below, and within 14 days of such notice, returns the lot to the Auctioneer, in the same condition as it was at the time of sale and by producing evidence (the burden of proof being on the purchaser) satisfies the Auctioneer that the lot is a deliberate forgery, then the Auctioneer will be entitled to rescind the sale and will refund the purchase price to the purchaser. In the context of this guarantee 'a deliberate forgery' means a lot made with the intention to deceive when considered in the light of the catalogue entry and which at the date of sale had a value substantially less than it would have had, had it been in accordance with the description. However, there will be no right where the catalogue description, at the time of sale, was in accordance with the general opinion of experts, or fairly indicated there to be a conflict of opinion. The Auctioneers reserve the right in forming their opinion to consult and rely upon any expert or authority considered by them to be reliable.

### 3. The Auction Process.

The Auctioneer reserves the right:

- i. To accept or refuse any bid(s),
- ii. Regulate the bidding and amounts of any bid(s),
- iii. Rearrange, consolidate or withdraw any lot(s) or part of any lot without reason or notice.
- iv. In the event of a dispute, the Auctioneer has absolute discretion to settle such dispute.
- v. All transactions associated with this auction sale shall be governed by English law.

#### 4. Conditions of Sale - Vendors

- a. Indemnity: The Vendor indemnifies the Auctioneer together with his servants and agents who act solely as agent for the Vendor.
- b. Title: The Vendor warrants to the Auctioneer and the Purchaser that he is the absolute owner of any lot and is authorised to sell the same and pass marketable title free of any encumbrance or claim.
- c. Instructions: All lots are sold at the Auctioneer's discretion unless written instructions to the contrary are received by the Auctioneer more than 24 hours prior to the auction. (Responsibility for receipt of such instructions rests with the Vendor)
- d. Proceeds: The Vendor authorises the Auctioneer to deduct all monies due to him from the auction proceeds.
- e. The Auctioneer shall not be liable for settlement of any lot(s) for which he is not in possession of cleared funds.

#### 5. Conditions of Sale - Purchasers

- a. Acknowledgment: In making a bid, for any lot whether in person or otherwise all persons acknowledge they have read, understand and abide by all these Conditions of Sale.
- b. Title: Responsibility for a purchased lot shall pass at the fall of the hammer; however, legal title shall not pass until the Auctioneer is in possession of cleared funds in payment for that lot.
- c. Payment and Clearance: All lots must be paid for in full within 7 days following the conclusion of the auction except where agreed by the Auctioneer in writing.
- d. No lot(s) may be removed until cleared funds are to hand except where agreed by the Auctioneer.
- e. Items become the property of Excalibur Auctions Ltd – 42 days after the auction

#### **Late Collection**

- Items are held for two weeks after the auction free of storage costs.
- Items which remain uncollected 14 days from the date of auction will be removed to an offsite storage facility and will incur a £20 administration fee and a storage charge of £1 per lot per day.
- Once items have been placed in offsite storage, 24 hours advanced notice is required to retrieve the items ready for collection.
- Items which remain uncollected without written authorisation for more than 42 days from the date of auction, will become the property of Excalibur Auctions Ltd and resold at a future auction to defray costs.
- Items held for longer than two weeks after the auction will be removed offsite to a storage facility and will become subject to storage charges at the auctioneer's discretion and interest at 3% over Barclays Bank Base Rate
- Items which remain uncollected without written authorisation for more than 6 weeks after the auction, will become the property of Excalibur Auctions and resold at a future auction to defray costs and the bidder will be banned from buying in future sales. We reserve the right to share non-paying bidder information with other auction houses and the operators of live bidding services.

f. The Buyer will pay to the Auctioneer the hammer price together with a Buyer's Premium calculated at a rate of 22.5%, plus VAT at the prevailing rate.
